TRANSPORT BY TRAIN

The railways of Sri Lanka was first introduced in 1864 predominantly to transport goods such as Tea , Coffee, Pepper etc to the end ports by the British. What simultaneously took place was a carving of tracks that mystified its travellers with its sorounding beauty. From endless sheets of Tea plantations to majestic waterfalls , the rail route of Sri Lanka is a hot seller to the adventurous. Currently the train are use for transport goods as well as passengers to travel in Sri Lanka.

Please note – 2nd class tickets will be on availability and we be sold by Railway department 30 days prior to train ride with limited quantity. (Not sold/available online) In case 2nd class is unavailable by date of train ride, clients can travel on 3rd class with locals with no seat reservations. (Seats are not guaranteed but they can travel standing) Train system in Sri Lanka is not well organized. Also train delays and cancellation could occur without prior notice.

HELICOPTER RIDES

IWS Aviation incorporates the latest technology in the aviation industry. Currently we offer tours and charter services to various destinations around the country on our AIRBUS H120 Helicopter and AIRBUS EC 130 B4. Convenience is the prime focus of incorporating aviation solutions to our modes of transportation for safety and reliability on sporting events, business meetings or for aerial photography.

- Currently operate with two helicopters, Airbus **EC 120 a 4 seater** and Airbus **EC 130 a 6 seater**.
- Aerodrome is at Welisara, however we are able to pick up from many locations island wide and charter to any destination with a suitable landing spot.
- We are able to obtain the necessary landing permissions from the authorities within 48 hours on a working day.
- Our rates are based on flying time/duration of the route.
- Names of passengers and their NIC or passport numbers are required before the flight and passengers are required to carry the original documents during the flight.
- Maximum weight that can be accommodated on the EC 120 is 350 kg and on the EC 130 is 500 kg (inclusive of passenger and baggage weight).
- Full payment is required 3 working days prior to the travel, except for same day requests, payment is required prior to the flight. A non-refundable advance is required to check and reserve a landing location that is not listed with us
- Apart from charters, we conduct flower drops, leaflet drops and joy rides.
- Cancellation of a reservation is possible 7 working days prior to the travel date.

CINNAMON AIR (DOMESTIC FLIGHT)
